**Committee Meeting:**

The District Level Committee (DLC), Gadag District, convened a meeting on **17-03-2026** at the Office of the Deputy Commissioner, Gadag, to verify and consolidate the record of Notified Forest Areas within the district in accordance with Rule 16(1) of the Van (Sanrakshan Evam Samvardhan) Rules, 2023.

The Committee was chaired by the Deputy Commissioner, Gadag District, with the Deputy Conservator of Forests, Gadag Division, functioning as Member Secretary. The Chief Executive Officer, Zilla Panchayat, The Deputy Director of Land Records, Deputy Director of Horticulture, and District Social Welfare Officer participated as Members, as per the Government Order constituting the DLC.

  
17.03.2026

  
20.03.2026

At the outset, the Member Secretary placed before the Committee the relevant statutory and technical records for verification. These included copies of Forest Notifications issued under the Indian Forest Act, 1878, Indian Forest Act, 1927, Karnataka Forest Act, 1963 declaring Reserved Forests and Protected Forests in Gadag District; Cadastral maps along with authenticated forest boundary descriptions maintained by the Forest Department and digitized cadastral maps superimposed with forest boundary layers for cross-verification; village-wise and survey number-wise Revenue Records including RTC extracts, Tippani, Akarband and settlement records were produced by the Deputy Director of Land Records.

The Committee undertook a detailed examination of the above records. The statutory notifications were scrutinized to confirm the legal status, survey numbers, extent and boundary description of each notified forest block. The Forest Department maps were correlated with the corresponding village maps and cadastral records maintained by the Revenue Department. The entries in RTC Column 3 (total extent) and Column 9 (ownership and classification) were examined to ascertain whether the lands are recorded as "Forest" or under any equivalent classification indicative of forest status. Particular attention was given to ensuring that the notified forest boundaries as per Forest Department records correspond with survey numbers and extents reflected in Revenue records.

Upon reconciliation of Forest and Revenue records, and after verification of survey numbers, extents and boundary descriptions, the Committee confirmed that the lands detailed in FORMAT-1 annexed to these proceedings constitute duly Notified Forest Areas issued under the Indian Forest Act, 1878, Indian Forest Act, 1927, Karnataka Forest Act, 1963 declaring Reserved Forests and Protected Forests in Gadag District. The Committee further confirmed that these lands attract the provisions of Section 2 of the Forest (Conservation) Act, 1980 and cannot be diverted for any non-forest purpose without prior approval of the Central Government.

Accordingly, the District Level Committee, Gadag District, unanimously resolved to approve the Consolidated Record of Notified Forest Areas as per FORMAT-1 annexed hereto, indicating district, taluk, hobli, village, Notification details, Denotification details, survey number, total extent, ownership entry in RTC, Akarband extent, verified forest category and forest extent in hectares. The extent of Notified Forest Area in Gadag District, as verified by the Committee, is recorded therein.

  
17.03.2026

  

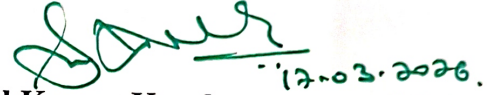

The Committee further resolved that the verified consolidated record shall be digitized and integrated with the Revenue Department's Bhoomi database with appropriate protective flagging to prevent unauthorized mutation, grant, conversion or diversion.

The proceedings along with ANNEXURE - 1 for Area 29747.21 Ha, are hereby approved and submitted to the Regional Level Committee for further consolidation at the State level in compliance with the directions of the Hon'ble Supreme Court and the Government Orders cited above.
