READ: 1. Government Order No. FEE 2 FFM 1997, dated: 10.01.1997.
2. Government Order No. FEE 270 FGL 2002, dated: 25.09.2002.

PREAMBLE:

The Forest (Conservation) Act. 1980 (Central Act) is enacted to conserve the dwindling forest resources in the country. Section (2) of Forest (Conservation) Act, 1980 puts some restrictions on the de-reservation of forests or use of forest land for non-forest activities.

2. The Hon'ble Supreme Court of India in WP (Civil) 202/1995 (Godavarman Thirumulpad vs Union of India & others) has defined the scope of 'forest' and "forest land" as mentioned in the Forest (Conservation) Act, 1980 vide its order dated 12/12/1996 as under:

भागि

it has emerged at the hearing, that there is a misconception in certain quarters about the true scope of Forest(Conservation) Act-1980 (for short the 'Act') and the meaning of the word 'forest' used therein. There is also a resulting misconception about the need of prior approval of the Central Government, as required by Section 2-of the Act, in respect of certain activities in the forest area which are more often of a commercial nature. It is necessary to clarify that position.

The Forest Conservation Act. 1980 was enacted with a view to check further deforestation which ultimately results in ecological imbalance; and therefore the provisions made therein for the conservation of forests and for matters connected herewith must apply to all stationary of the purpose of the nature of ownership or classification thereof. The word 'Forest' must be a purpose of the forest, whether designated as reserved, protected or otherwise for the purpose of the section 2(1) of the Forest Conservation Act. The term 'forest land', occurring in Section 2, will into only include "forest" as understood in the dictionary sense, but also any area recorded as forest in the Government record irrespective of the ownership. This is how it has to be understood for the purpose of Section 2 of the Act. The provisions enacted in the Forest must apply clearly to all forests so understood irrespective of the ownership or classification thereof.

The Hon'ble Supreme Court further ordered that

19/5

"Each State Government should constitute within one month an Expert Committee to:

 identify areas which are 'forests' irrespective of whether they are so notified, recognised or classified under any law and irrespective of the ownership of the land of such forest; 11. In the light of the directions of Apex Court vide its order dated 12/12/1996 to have more clarity on the issue of identification of forest in Karnataka state, the whole issue may be dealt as follows:
