What to verify..

✓ 1. Taluk, Hobli, Division, Range and Village

✓ 2. Notified Forest Name, NFA, DNFA

✓ 3. Sy Number and Extent Available in C-statement or Notification

✓ 4. New or Re survey number as per revenue records in Bhoomi

✓ Other information in remarks column

After Sign in, survey number wise information in each row needs to be verified.
For verification following steps to be carried out

1. The columns containing Taluk, Hobli, Division, Range, Village needs to be verified

In case there is an error, the same needs to be clearly stated in "Remarks"

2. The following needs to be verified with respect to column "Notified forest Name":

- Whether Notification copy of the forest block is correctly uploaded
- Notified Forest Area(NFA) of the forest block is correctly mentioned
- De-notified Notified Forest Area(DNFA) of the forest block is correctly mentioned
- In case there is an error the same needs to be clearly stated in "remarks"

3. Verify whether survey number and extent is available in the Notification / C-Statement

- If **YES** then click **EDIT**  button and choose **YES** from the dropdown list from the **"Survey No. available in C-Statement"** column
- **Enter / update** the Survey number in the **"Survey number in notification"** column
- **Enter / update** the Extent in the **"Extent in notification"** column
- If **NO** then click **"Edit"**  button and choose **NO** from the dropdown list from the **"Survey no available in C-Statement"** column then Automatically columns **"Survey number in notification"** and **"Extent in notification"** will display **"NA"**

4. In the column "New or re survey number"

Enter / update the new / resurvey number as per the current survey number running in revenue records,

- On Clicking **"Verify"** button, various entries in the RTC for that survey number would be displayed, **choose the radio button** of the row relevant to the survey number of the notified forest land. On Clicking **Submit** button, all the details of the survey number i.e **Sy No | Surnoc | HissaNo, RTC Column 9, Column 10, Column 11, Total RTC Extent and Akharbandh Extent** automatically populated in the column
- In case no row is found relevant to the survey number of the notified forest land then same needs to be clearly stated in **"Remarks"** as **"No Govt. or Forest land entry in RTC"**
